### ABOUT AWAY RESORTS

Away Resorts is a privately owned chain of tropical resorts, based out of Thailand, South East Asia.

### AWAY RESORTS CONCEPT

Resorts by Away appeal to people who realize that their lives are controlled by the clock, and they need to get off the speedway of life and take a break. Over worked and over stressed, Away guests need to "Get Away" from their normal routine and enjoy a vacation in paradise at an island tempo.

### GETTING AWAY

So what do Away do that is different from other resorts? It is easiest explained by the following comparisons. At Away we encourage and facilitate guests to:

- Enjoy beach walks not running on a treadmill
- Enjoy reading a book not watching TV
- Enjoy paddling a canoe not riding a jet ski
- Enjoy a slow quality meal not hastily downing fast food
- Enjoy listening to quiet jazz not loud rock
- Enjoy an afternoon massage not an afternoon shopping
- Enjoy a morning sleep in not a 6:00 am wake up for the tour bus
- Enjoy a 2 hour boat shuttle exploring neighbouring beaches and villages not a frantic 40 minute high speedboat ride
- Enjoy a day scuba diving not a day visiting 6 local sites in a packed mini-bus
- Enjoy a morning swinging in your hammock and not catching up with emails in your room.
